City Council of Blue Ridge

RE: Position on Planning and Zoning Board

Dear Mayor and Council:

Please find attached my application and resume for consideration for appointment to the Board of Planning and Zoning. I feel my education, professional experience, my involvement in the recent City of Blue Ridge masterplan work, my extended experience working with Fannin County, the City of Blue Ridge and the Fannin County Chamber of Commerce over the past 13 years makes me a good choice for this position.

You will see from my "extended version" of my attached resume that I have had the opportunity to work with many towns, many businesses and developers across the country dealing with planning and zoning issues. This has been a lifelong journey for me and I am glad to be able to donate precious time to the City of Blue Ridge to help with planning and zoning issues.

I my first property in Fannin County for over 20 years, have lived here and operated a business downtown for over 13 years and have been a city resident for almost 4 years.

Thank you for your time and consideration,

Regards,
