

City Administrator Briefing Report

Mayor

Rhonda Haight

City Council

Angie Arp, Mayor Pro Tempore

Jack Taylor

Christy Kay

Bill Bivins

William Whaley

August 2023

City Administrator Eric M. Soroka

This report is prepared in order to inform the Mayor and City Council of ongoing matters, governmental services activities and the status of major projects.

Ordinance to Regulate Live Amplified Music on Outdoor Patios at Breweries, Wineries and Distilleries. This Ordinance was adopted on second reading at the August meeting.

Amendments to Land Development Code

The City Council adopted the second round of Zoning Code Amendments at their August 3, 2023 meeting. The Mayor vetoed the Ordinance and the City Council overrode the veto at the August 15, 2023 meeting. The amendments relate to the following sections:

Chapter 135 Subdivision Regulations

Article I In General 140-140-4

Article XIII Buffers, Landscaping and Tree Protection

Article XIV Planned Unit Development Regulations

Article XVII Street, Traffic and Parking Regulations

Article XIX Nonconforming Uses

Section 140-616 Remedies

Ordinance to Allow for Backyard Chickens

This Ordinance was adopted on second reading at the August meeting.

Intergovernmental Agreement for Blue Ridge City Park between the City and County

The County has awarded the bid to Integrated Properties out of Chattanooga in the amount of \$3,697,000.00. Construction should start soon.

New Work Order/Purchase Order System

The new Citizen Portal that enables citizens to submit work orders from reporting potholes to down trees. This user-friendly system offers a streamlined approach for instant communication and requests directly from citizens to our city departments. Users of the system will be able to track your work orders and receive updates via email. The goal is to expedite the resolution to requests and provide a response as quickly as possible.

Special Events Farmers Market

The following events are scheduled:

- Monthly Community Yard Sales
- Jazz Band 9/30
- Film Festival 10/6
- Ice Skating Rink scheduled from November to January
- Light Up Blue Ridge

City Special Events

Next Movie Night in the Downtown Park – September 9

Downtown Special Events

Blues & BBQ – 9/16

Fall Arts in the Park – 10/14-10/15

Utility Department Highlights and Infrastructure Improvements

WATER

Finished water **27,245,017**

Water sold **17,743,882**

Non revenue **9,501,135**

(includes flushing, road washing, fire department usage, etc). Water permit average daily use is 75%. Water plant capacity average daily use is 43%. Percentages can be affected by main leaks or times of heavy tourism; fluctuations are normal.

- The City was awarded a \$1,000,000 grant and the City will provide local match, for a total project of \$2,000,000 to address water loss in Mountain Tops. We are working with engineers to design the rehab to address areas with the most leakage in that subdivision. The project cost is \$2,000,000 to be paid as follows: \$1,000,000 from SFR funds (grant), \$400,000 water surcharge, \$420,000 splost, \$100,000 ARPA (grant), and \$80,000 from water funds. Carter & Sloope, city engineers, has surveyed 75% of the rehab area and we are currently waiting on additional information from OPB on additional grant requirements.
- The pump station rehab at Mountain Tops is currently estimated at \$350,000. This project has been pushed to 2024-2025 so that it doesn't interfere with the water main rehab. The station is approximately 30 years old and needs rehabilitation.
- The crew has started field audits for EPD's new requirement on Service Line Inventory and is 75% complete with City service line identification. The purpose of the new regulation is to determine if there is any lead pipe in the water system. Currently there is no known lead pipe. By October 2024 the City will have identified every water main and service line in the system.
- 19 water line leaks were repaired and 1 city side service lines were replaced.

WASTEWATER

Treated sewer 11,560,000

Billed **8,182,960**

I & I **3,377,040**

Sewer permit used is 46%. Sewer plant capacity used is 46%

*Percentages can be affected rain, storm water infiltration or times of heavy; fluctuations are normal

- The City is continuing repair of known I & I issues. Recent video work was done which revealed I & I along sewer mains on East Main Street, Depot St and East First St. We are working on a plan to address these areas. We are currently making a map of manholes that need repaired or rehabilitated to further decrease infiltration.
- The design for the sewer lift station upgrades due to aging infrastructure for CVS and Industrial lift stations is complete. The City will abandon the CVS station and will rehab the Industrial station into a bigger station that will handle what previously took two stations. Included in this will be the rerouting of a force main along 515. The Aska lift

stations will be in phase 2 of this project. Carter & Sloope is finishing paperwork for easements and EPD approvals. The project cost is \$3,500,000 and the City has been approved by GEFA for a grant/loan for this project.

- The bid for the sewer treatment plant rehab project is scheduled to be awarded in August. The current plant is nearing 25 years old, making some of the equipment and electrical outdated and difficult to get serviced.
- 1 sewer leaks were repaired and one section of sewer main was replaced due to a portion that was collapsed.

CUSTOMER BASE – The City has 3,239 active water connections serving 3,479 units, 1161 active sewer connections. We have 3502 meters in the distribution system. The City installed 3 new residential water taps and 0 new sewer taps. 7 new residential tap applications were submitted, none of these were in the City. The City signed up 23 new customers at existing locations, had 26 customers leave existing locations and completed 138 work orders for the month.

New Development Revenues - \$15,915.

Utilities Collection Revenue - \$382,626.

Police Department Statistics & Highlights

The upgrade to Microsoft tablets in all the patrol vehicles was completed. This will provide more capabilities and updated software for the officers to do their job.

	June 2023	July 2023
DISPATCHED CALLS FOR SERVICE	553	536
UCR CRIMES REPORTED	8	33
ACCIDENT/INCIDENT/ MISCELLANEOUS REPORTS	20/22/50	36/32/56
CITATIONS ISSUED /WARNINGS	73/154 *13 parking tickets	54/136 *8 parking tickets
TOP 5 CITATIONS ISSUED	*Tag violations *Driving w/ license suspended *Failure to obey traffic control device *Failure to stop @ stop sign *Following too closely	*Tag violations *Speeding *Shoplifting *Public Drunk *No Insurance

Municipal Court

July 2022-July 2023 – Processed 1852 citations from all agencies with fines totaling \$335,652.

July 2023 - Processed 8 parking citations and 137 citations from all agencies with fines totaling \$27,686.

Public Works (Streets & Parks) Department Highlights

- Clean the Depot bathroom Sunday – Saturday.
- Clean the playground bathroom - Sunday – Saturday.
- Maintained Mineral Springs Trail.
- Cleared roads, sidewalks, curb, and gutters from debris in downtown every Friday.
- Repaired and replaced damaged storm drains.
- Cleared numerous drainage ditches in various sections of the City before and during heavy rain.
- Cleared roads of debris and fallen trees after storm events.
- Repaired various pothole and utility repairs throughout the City.
- City Parking Lot revenue to July 2023: \$ 110,989.
- Installed “No Littering Signs” on major roads throughout the City.
- Installed new directional signs for city parking lots.
- Began downtown planter beautification projects.
- Replaced mulch in and around the area of the Downtown Playground Park.

City’s Roads and Sidewalk Improvements

The City Council awarded the bid to Johnson Paving, at the low bid price of \$1,101,558.12. A preconstruction meeting was held on August 8, 2023. The Notice to Proceed was issued and work is scheduled to commence on August 21, 2023. Advance notice will be provided to the community where work would interfere with traffic flow or close streets. A large portion of the road pavement that will be milled and sidewalks that will be replaced will be recycled by Johnson Paving to be used on other projects. The following areas are included in the bid:

Sidewalks:

1. Mountain Street (Roberts Way to Old Hwy 76)
2. Depot Street (E. Main St. to Old Hwy 76)
3. W. Main Street (In Front of Fire Dept)
4. E. Main Street (Church St. to past Hall St.)
5. Church Street (Old Hwy 76 to E. 2nd St.)
6. Summit Street (W. 1st St. to W. Main St.)

Streets:

1. Depot Street (Old Hwy 76 to W. 1st St.)
2. E. 1st Street (E. 2nd St. to 76 Conn)
3. W. Main Street (Church St. to N of Depot St.)
4. Industrial Park Dr. (Ada St. to Windy Ridge)
5. McKinney Street (W. 1st St. to Old Hwy 76)

Downtown Drainage Project Update

Railroad Crossing Portion- The contractor (Wilson Construction Management) has completed the culvert replacement/upgrade (24" to 60") under the railroad tracks. This portion of the project has been inspected and approved.

The City completed the process of obtaining the main easement for the planned drainage work. This project is scheduled to be placed out to be bid in early September.

Mineral Springs Road Sanitary Sewer Rehabilitation

Complete.

Downtown Restroom Facility Project

The apparent low bidder is Benning Construction Company. The bid amount is more than the original budget. Georgia Local Government Public Works Construction Law states that the contract shall be awarded to the lowest responsible and responsive bidder whose bid meets the requirements and criteria set forth in the invitation for bids; provided, however, that if the bid from the lowest responsible and responsive bidder exceeds the funds budgeted for the public works construction contract, the governmental entity may negotiate with such apparent low bidder to obtain a contract price within the budgeted amount. Such negotiations may include changes in the scope of work and other bid requirements. This process is also called value engineering, whereby the architects and structural designer meet with the contractor to determine options and alternatives to produce cost saving, while maintaining the integrity of project. We have been meeting with the contractor to determine what building items can be reworked to produce cost savings. This process should be completed shortly. Our goal is to complete this process by the end of the month and to present a new lower contract amount to the Mayor/City Council in order to move this project forward. Additional funding for this project is available in the Downtown Development Authority Fund and Hotel/Hotel Fund. Below is a preliminary sketch of the proposed 2 story building facing Main Street.
